

## Establishment:

AACCS was established on December 29, 2005 according to a resolution by the Board of Directors of the Arab Authority for Agricultural Investment and Development (AAAID), with the objective of utilizing the 29 years accumulated experience of AAAID in project management.

AACCS works under the umbrella of AAAID .

## Headquarters:

AAAID main office, Khartoum - Sudan.

## Objectives:

AACCS as a centre of excellence in investment in the Arab region aims at:

- Providing consulting services in the area of Agriculture (plant and animal production), support and complimentary services to agricultural activities and Agro-industrial Projects.

- Transferring of AAAID experience in agricultural investment to a wide base in Arab countries.

## Scope of Work:

Depending on the accumulated experience of AAAID in the development of agricultural projects in the Arab region, in collaboration with international consulting firms in the preparation, evaluation and implementation of feasibility studies, in addition to the field experience in agricultural projects, the Centre provides the

following services:

- Preparation and evaluation of studies for rehabilitation, restructuring, and expansion of existing companies for finance reasons .
- Preparation and evaluation of prefeasibility studies.
- Preparation and evaluation of technical and financial feasibility studies.
- Preparation and evaluation of market studies.
- Supervising Projects implementation.
- Companies Valuation.
- Projects management.

## Available Resources:

- The Centre capitalizes on AAAID available resources related to project study, promotion, implementation and management, based on a comprehensive database and support services.
- The Centre is staffed with a multi disciplinary team of experts with specializations in plant production, animal production, agricultural processing, engineering, finance and financial analysis.
- The Centre has database and contact information of experts, with various specializations , who performed assignments for AAAID through its long experience

### Supervision of the Centre:

The centre is supervised by a board of trustees chaired by the President of AAAID. The Board is responsible for the strategic planning for the Centre.

### Clientele :

The centre provides its services to AAAID and its affiliated companies. It also provides consulting services to the public and the private sector as well. The services of the

centre is benchmarked against the best practice of the top international consulting firms.
